Greetings,

Councilmember Bonin and the Westchester 75th Anniversary Planning Committee are excited to have you join us tomorrow, December 6, 2016, for Westchester Day in the City of L.A. at City Hall.

CD11 has secured a charter bus to transport attendees to and from City Hall for this special Council presentation. The bus will be **departing from our Westchester field office promptly at 8:10am**. You are welcome to park in our lot.

We ask that you please **arrive at 8am** to ensure timely departure. The travel time is allotted to provide for any unforeseen traffic delays, getting everyone through front desk security, and to Council chambers by 10am.

There will be coffee and light refreshments provided in a casual reception prior to Council, and following the presentation for an opportunity to take photos and mingle.

The **Council presentation** will include speakers Councilmember Bonin, NCWP President Cyndi Hensch, and Karen Dial of Drollinger Properties.

The bus will depart back to Westchester any time from 11am to 12:30pm, depending on how fast we get through Council, and have everyone gathered.

Please let me know if you have any questions, and **if you will be bringing any additional people so we ensure there are enough seats on the bus**. Feel free to text or call my cell as well if necessary: (213) 265-5416.

Thanks so much, and we look forward to seeing you tomorrow!

All the best,
Anna
